NET CONTENTS: 1 U.S. Quart (0.95 L)

Manufactured For:
TRIANGLE CHEMICAL COMPANY
117 Preston Ct., Macon, GA 31210
478-743-1548

GENERAL INFORMATION

TRI-CARD CONCENTRATED DEFOAMER™ is a proprietary silicone antifoam emulsion designed for prevention or suppression of foam formation in aqueous solutions. The functional properties include quick dispersal, slight insolubility, relative stability, and spreadability in ionic solutions.

TRI-CARD CONCENTRATED DEFOAMER™ is very aggressive in agricultural pesticide tank mixes, especially *ROUNDUP® Pesticide Formulations, offering antifoaming qualities when used in a premix or defoaming characteristics on already existing foam. All emulsifiers used in this formulation are nonionic, offering superior uniformity and compatibility.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

USE RATES

Use **TRI-CARD CONCENTRATED DEFOAMER™** at 1 to 2 ounces per 100 gallons of solution. It may be necessary to adjust the amount used according to individual conditions.

NOTE: it is always best to add to tank mixture before foam has already formed.

STORAGE and DISPOSAL

STORAGE: Do NOT Freeze. Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F. Keep away from heat/sparks/ open flames/ hot surfaces. No smoking.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations.

CONTAINER DISPOSAL: Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations.
