FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present, after the first 5 minutes, then continue cautiously rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able.

IF INHALED: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing.

GENERAL INFORMATION

DELIVER is an effective, easy-to-use adjuvant for deposition improvement and drift reduction in agricultural spray operations.

DELIVER has passed testing and is approved as a DRA for BAPMA-based dicamba.

DELIVER is compatible with a wide range of active ingredients, such as glyphosate, 2,4-D, dicamba, and BAPMA-based dicamba. Recommended for all crops and non-crops.

DIRECTIONS FOR USE

Follow the recommendations on the most restrictive active ingredient label.

Tank mixtures should only be applied within the label recommendations of every product in the tank mixture.

Use rates may be adjusted to compensate for environmental conditions or mechanical factors.

USE RATES

	Per 100 gallons
Herbicides	1 to 2 quarts
BAPMA dicamba	2 quarts

STORAGE AND DISPOSAL

Storage: DO NOT FREEZE. PRODUCT MAY CAUSE A SLIP HAZARD. Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. Store between 40° and 90° F. Do Not Freeze.

Disposal: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org.

WARRANTY: Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk or any such use.
