BRANDT

Blue Lagoon[®] SS

100% Non-Toxic

Will not stain birds, fish or livestock

Treats 1 acre water 4-6 feet deep

The use of BLUE LAGOON SS adds a natural beauty to ponds, lakes, fountains and lagoons, coloring them a natural, beautiful blue. When applied at the recommended rates, BLUE LAGOON SS will not stain birds or fish. BLUE LAGOON SS is harmless to humans as well as wildlife. BLUE LAGOON SS will not disrupt fishing, swimming or irrigation once the product has dispersed. However, do not swim, fish or irrigate from ponds treated with BLUE LAGOON SS until the product has thoroughly dispersed.

Directions

Apply at the rate of 1 quart of BLUE LAGOON SS per 1 surface acre of water 4 to 6 feet deep. If a deeper color is desired, use additional BLUE LAGOON SS. BLUE LAGOON SS should be added to ponds from several different locations to insure even dispersion. Wear rubber gloves when applying BLUE LAGOON SS to protect hands from staining.

CAUTION

**KEEP OUT OF REACH OF CHILDREN
HARMFUL IF SWALLOWED**

Avoid contact with skin. If product comes into contact with skin, wash thoroughly. In case of eye contact, wash thoroughly with clear water. If irritation persists, contact a physician immediately.

STORAGE AND HANDLING

Keep product closed when not in use. Store in a cool, dry location. Do not reuse container.

CONDITIONS OF SALE

Seller's guarantee shall be limited to contents and merchantability of the product and the terms of the label and subject thereto. The buyer assumes any risks to persons or property arising out of use or handling. Because the time, place, rate of applications and other conditions of use are beyond seller's control, seller's liability from storage, handling and use of this product is limited to replacement of product or refund of purchase price.
