

ENHANCE

A Citrus Spray Adjuvant Concentrate

ACTIVE INGREDIENTS: Nonylphenol Polyethylene Glycol Ether, 2 Butoxyethanol, Sodium Tri Polyphosphate, Nonionic Alkoxylate Family.
All ingredients are exempt from tolerance requirements under CFR 40, 180.1001 (d.)

WARNING KEEP OUT OF REACH OF CHILDREN

Avoid eye and skin contact. Avoid ingestion, breathing vapors or spray mist. NOTE: Read and follow all label directions and cautions on all products used.

CARE SHOULD BE TAKEN NOT TO SPILL THIS PRODUCT OR ANY CHEMICAL IN LAKES, PONDS, RIVERS, STREAMS, OR ANY BODY OF WATER.

STATEMENT OF PRACTICAL TREATMENT

If Inhaled: Remove to fresh air, treat symptomatically. Seek medical attention if irritation persists.
If Swallowed: Harmful if swallowed. Drink two glasses of water and induce vomiting. Get immediate medical attention.
If On Skin: Remove contaminated clothing. Wash skin with soap and water. If irritation persists or if contact has been prolonged, obtain medical attention.
If In Eyes: Immediately flush eyes with plenty of water for at least fifteen minutes. Obtain medical attention.

GENERAL INFORMATION:

For use as a wetting agent in dispersing insecticides, miticides, and fungicides. Works especially well with citrus spray oils.

Emulsifier: • For better emulsification and dispersing of powders, liquids, and oils.
Spreader: • Provides more uniform spray deposit and smaller droplet size.
Activator: • Thorough wetting action helps improve performance of spray products and enhances uptake of nutritionals.
• Helps keep spray equipment clean and prevents clogged nozzles and screens.
• Lubricates pump valves.
• Biodegradable.

RECOMMENDED RATES:

CITRUS SPRAY RATE: 2 quarts per acre. Note: When spraying 50 gallons or less per acre, use 1-1½ quarts per acre.

MIXING/PERSONAL PROTECTIVE EQUIPMENT:

Chemicals used in agriculture should be used by trained personnel only.

Add powdered materials to tank before Enhance. Wear protective gloves, nitrile rubber, neoprene, polyethylene, and chemical splash goggles when handling Enhance and all spray materials.

WARRANTY:

Triangle Chemical Company warrants that this product, when used as directed and in accordance with sound agricultural practices, is reasonably fit for the purposes stated on the label. Buyer assumes the risk of any use contrary to the directions so stated. Triangle Chemical Company will not be liable for indirect or consequential damages. Triangle Chemical Company makes no other expressed or implied warranty of Fitness or Merchantability. This warranty shall not be charged by oral or written agreement unless signed by a duly authorized officer of Triangle Chemical Company. In no event shall Triangle Chemical Company's liability from any breach of warranty exceed the purchase price of the product to which a claim is made.
