GENERAL INFORMATION

WISE™ is a quality sticking agent intended for use with most crop protection products in which the label permits the use of a spreader sticker. **WISE™** is compatible in spray solutions with most commercial crop protection and foliar feed micronutrients. A thin coating of **WISE™** solution bonds the pesticide to the crop foliage. This decreases the risk of residue erosion from rainfall or irrigation.

DIRECTIONS FOR USE

Add **WISE™** to the spray tank as it is filling, with the agitator running. Under most circumstances, apply solution with **WISE™** a minimum of one hour, during sun up, before an expected rainfall. Sunlight during this time frame is necessary to adhere the bond. This Product Cannot Be Used For Aquatic Applications.

Use of **WISE™** with tolerance exempt pesticides near or at harvest might produce visible residue. This condition may render the crop(s) unsaleable. If this is a potential problem the WISE rate may be reduced, or the addition of **WISE™** should be suspended at or near harvest. **WISE™** has NO LIMITATIONS on non-food crops.

FOR USE WITH	PER ACRE	FOR USE WITH	
Insecticides	4-6 oz.	Air Blast Sprayers	4-6 oz./100gl. Solution
Fungicides	4-6 oz.	Free Sprayers	4-6 oz./100gl. Solution
Hormonal Herbicides	4-6 oz.	Hydraulic Gun Sprayers	4-6 oz./100gl. Solution
Foliar Nutrient Sprays	4 oz.	Aircraft Sprayers	4-6 oz./Acre
Roundup® (Glyphosate)	4-6 oz.		

Roundup® is a registered trademark of Monsanto.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

STORAGE AND DISPOSAL

Use personal protective equipment. Keep in original container. Store above 32°F. Before disposing of container, triple rinse, then offer container for recycling or reconditioning, or puncture and dispose of in a sanitary landfill. Do not reuse empty container. Dispose of container in a safe manner in accordance with federal, state, and local regulations.

WARRANTY: Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk or any such use.
