

FIRST AID

Have the product container with you if calling a poison control center or doctor, or going for treatment.

If Swallowed: Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

GENERAL INFORMATION

DELIVER ORIGINAL improves deposition of the active ingredient throughout the target canopy and helps to reduce drifting off site and onto sensitive areas.

DELIVER ORIGINAL is compatible with most water soluble active ingredients and cotton defoliant.

DIRECTIONS FOR USE

Follow the recommendations of the most restrictive active ingredient label.

Tank mixtures should only be applied within the label recommendations of every product in the tank mixture.

Use only if a deposition aid and drift reduction agent is allowed or not excluded on the label.

DELIVER ORIGINAL does not contain surfactant and may be used with active ingredients whose labels exclude the use of a surfactant. Suitable for use with Flex cotton.

DELIVER ORIGINAL DOES NOT contain ammonium sulfate (AMS).

If the user does not have experience with the mixture being applied, perform a jar test using the order and amounts in the mixture and perform a phytotoxicity test to ensure crop safety.

Order of addition

1. Fill tank mix with water and start agitation.
2. Add surfactant or other adjuvants.
3. Add **DELIVER ORIGINAL**.
4. Add pesticide.
5. Continue to agitate for at least 2 minutes before spraying.

USE RATES

Spray Pressure	Nozzle Orientation	DELIVER ORIGINAL per 100 gallons of spray solution
Aerial Applied: Below 45 psi	straight back	2-4 quarts
	45° angle back	3-5 quarts
Ground Applied:		
Low (below 30 psi)	flat fan, flood	1-3 quarts
	off-center	2-3 quarts
Medium (30-35 psi)	flat fan, flood	2-3 quarts
	off-center	3-4 quarts
	spray guns	3-5 quarts
High (50-150 psi)	spray guns	3-10 quarts

Home garden sprayers-use approximately 1/4 cup of **DELIVER ORIGINAL** per 5 gallons spray solution.

STORAGE AND DISPOSAL

Handling: SLIPPERY WHEN WET. Spills will be slippery and adding water to spills will increase slipperiness. Treat spills with absorbent material. When absorbent material is disposed of, rinse area thoroughly until slipperiness disappears.

Storage: Protect from Freezing. Store in a cool, dry place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near fire, flame or other potential sources of ignition. Do not contaminate water, food or feed by storage or disposal of this product. STORE BETWEEN 40° AND 90° F.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

WARRANTY: Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk or any such use.
